IN THE AWESOME NEW SUBARU BOXER DIESEL

Autocar

"Subaru took its time but its Diesel is an absolute peach"

"World's first Boxer diesel engine is a landmark"

"One of the world's finest four pot diesel engines"

"This must be the quietest four cylinder family diesel engine"

Auto Express

When you take a look at the economy figures, it gets even better"

"The world's first boxer diesel engine impresses with decent cruising refinement, punchy power delivery and excellent economy figures"

"Practical, fun to drive and with a great engine"

Top Gear

"What an engine. Makes everything else seem rough and crude"

"...this is as good as a diesel ever gets"

"It's awesome. It has to be the smoothest diesel engine yet developed"
